**To:** Our Business Partners  
**From:** Team Synergetic  
**Date:** July 14, 2008  
**Re:** Federal Changes in the Minimum Wage

---

Congress has mandated that the Federal Minimum Wage will increase from **\$5.85** to **\$6.55** per hour **effective July 24, 2008**; and again to **\$7.25 per hour effective July 24, 2009**.

As a result, Labor Law posters must be updated to reflect the new minimum wage. Please visit the Synergetic website at [www.synergetic-peo.com](http://www.synergetic-peo.com) where you will find a label that can be downloaded, printed (Avery 5160), and placed over the current minimum wage section of your Labor Law poster.

Directions for Printing Label:

- 1) Click [here](#) to download the label
- 2) Use label that is compatible with Avery Standard 5160 Address Labels
- 3) Place sheet of labels in the manual feed section of your printer
- 4) Print Label

Also on the website there is [a picture of how the poster should look with the labels attached](#). If you do not have the required labels you can print the label on paper and tape it to your poster.

If you do not have a Labor Law poster, or have any difficulty with this process, please contact Synergetic at (803) 750-7041 and we will be happy to assist you.

Thank you,

*Team Synergetic*
